Making Wholeness Possible

When you sponsor a child through CofP, you are making wholeness possible by providing the Core Four to a child in need.

NUTRITION

Families receive a monthly package of food, or children receive a hot meal each day at school.

EDUCATION

Children receive tuition, school supplies, and/or uniforms so they can attend school.

HEALTHCARE

Children receive preventative and diagnostic care as well as medications, hygiene items and emergency treatment as needed.

DISCIPLESHIP

In the loving community of the local church, children are introduced to Jesus and the wholeness made possible by following Him.
